Parental Permissions

E: Safety (Staff and children)

There are procedures in place that govern the use of IT equipment on site. Where iPad's or similar are used by the staff to record children's learning and development or as a management tool, a risk assessment is completed and only equipment owned by pre-school is used. In some instances, children will use ICT equipment (interactive table) to promote their learning and development under the supervision of staff. Children do not normally have access to the internet and never have unsupervised access to the internet. I understand games are suitable for the age range of the children in the room and that parental controls are in place.

I give permission for my child to use ICT equipment for the purposes stated above. I understand that there are procedures and a risk assessment in place to govern its use and that staff and visitors may also use ICT equipment to record and monitor children's learning and development.

06 Safeguarding children, young people and vulnerable adults' policy

Aim

We are committed to safeguarding children, young people and vulnerable adults and will do this by putting young people and vulnerable adult's right to be '*strong, resilient and listened to*' at the heart of all our activities.

The Early Years Alliance 'three key commitments' are broad statements against which policies and procedures across the organisation will be drawn to provide a consistent and coherent strategy for safeguarding children young people and vulnerable adults in all services provided. The three key commitments are:

1. The Alliance is committed to building 'a culture of safety' in which children, young people and vulnerable adults are protected from abuse and harm in all areas of its service delivery.
2. The Alliance is committed to responding promptly and appropriately to all incidents or concerns of abuse that may occur and to work with statutory agencies in accordance with the procedures that are set down in '*What to do if you are worried a child is being abused*' (HMG 2015) and '*No Secrets (updated by the Care Act 2014) and Working Together 2018*.'
3. The Alliance is committed to promoting awareness of child abuse issues throughout its training and learning programmes for adults. It is also committed to empowering children, young people, and vulnerable adults, through its curriculum, promoting their right to be '*strong, resilient and listened to*'.

NB: A 'young person' is defined as 16–19-year-old. In an early years setting, they may be a student, worker, or parent.

A 'vulnerable adult' (see guidance to the Care Act 2014) as: '*a person aged 18 years or over, who is in receipt of or may need community care services by reason of 'mental or other disability, age or illness and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation*'. In early years, this person may be a service user, parent of a service user, or a volunteer.

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

- The 'designated person' and the 'designated officer' ensure all staff are aware of the additional vulnerabilities that affect children that arise from inequalities of race, gender, disability, language, religion, sexual orientation or culture and that these receive full consideration in child, young person or adult protection related matters.
- The 'designated person' and the 'designated officer' ensure that staff are aware and receive training in social factors affecting children's vulnerability including
 - social exclusion
 - domestic violence and controlling or coercive behaviour
 - mental illness
 - drug and alcohol abuse (substance misuse)

Procedures differentiate clearly between an allegation, a concern about quality of care or practice and complaints.
- There are procedures in place for reporting possible abuse of children or a young person in the setting.
- There are procedures in place for reporting safeguarding concerns where a child may meet the s17 definition of a child in need (Children Act 1989) and/or where a child may be at risk of significant harm, and to enable staff to make decisions about appropriate referrals using local published threshold documents.

- There are procedures in place in relation to escalating concerns and professional challenge.
- There are procedures in place for working in partnership with agencies involving a child, or young person or vulnerable adult, for whom there is a protection plan in place. These procedures also take account of working with families with a 'child in need' and with families in need of early help, who are affected by issues of vulnerability such as social exclusion, radicalisation, domestic violence, mental illness, substance misuse and parental learning disability.
- These procedures take account of diversity and inclusion issues to promote equal treatment of children and their families and that take account of factors that affect children that arise from inequalities of race, gender, disability, language, religion, sexual orientation, or culture.

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

- We use available curriculum materials for young children, taking account of information in the Early Years Foundation Stage, that enable children to be *strong, resilient, and listened to*.
- All services seek to build the emotional and social skills of children and young people who are service users in an age-appropriate way, including increasing their understanding of how to stay safe.
- We adhere to the EYFS Safeguarding and Welfare requirements.

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

09.1 Waiting list and admissions

We aim to ensure that all sections of the community receive accessible information, and that our admissions procedures are fair, clear and open to all parents who apply for a place.

- The setting is widely advertised in places accessible to all sections of the community.
- Information about the setting is accessible, using plain English, in written and spoken form and, where appropriate, provided in different community languages and in other formats on request.
- Children with disabilities are supported to take full part in all activities within the setting and the setting makes reasonable adjustments to ensure that this will be the case from the time the child is placed on the waiting list.
- The waiting list is arranged in birth order and in addition may take into account the following:
 - the age of the child with priority being given to children eligible for the free entitlement
 - length of time on the waiting list
 - siblings already attending the setting
 - the capacity of the setting to meet the individual needs of the child
 - We accept children from the age of 2 years and 6 months, dependent upon the availability of space and readiness* of the individual child.

*(*Definition of readiness, please see below)*

2-Year-olds

- We only accept 2-year-old funded children in exceptional circumstances at the discretion of the Managers. This is subject to a face-to-face visit by parents/carers and the child, to discuss in detail our routine and procedures of Stanwix Community Pre-School. The Managers will take into account, if it is in the best interests and the readiness* of the individual child to attend the setting. This is subject to the full approval of the committee. These spaces may be limited to ensure the child to adult ratios are maintained.

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

*Readiness

1. *The state of being fully prepared for something.*
2. *Willingness to do something*

Most settings will start accepting children at around age 2 ½ and in certain cases accept children from the age of 2 but that doesn't mean your child is magically ready for pre-school when he/she reaches that age.

Readiness for pre-school has more to do with where your child is developmentally. Is he/she socially, emotionally, physically, and cognitively ready to participate in a daily routine with a group of other children?

Has your child spent time away from you?

Starting a setting is a huge step for any child but particularly if your child is very young and has never spent any time away from you. If you have spent every day with them, the child can often find it distressing when left in an unfamiliar environment with unfamiliar adults and without you

In preparation we recommend that you attend various mother and toddler groups and other child group activities. It may be advisable to try leaving your child with a family member to help reduce the child's anxiety at being left without you. Once the child realises you are coming back, they will find it easier. We do not believe that leaving a child to cry continuously will help them settle any quicker and in very young children, it can be hard to settle them, as they may struggle to understand when you are coming back and quite often continue to become more and more distressed. We believe that a child's distress will prevent them from learning and gaining the best from the setting. It also can unsettle and upset the other children.

As our pre-school is an open plan lay out, it may be unsuitable for some very young 2-year-olds with regards to their own health and safety. Children who place objects in their mouths, are unsteady on their feet, climb upon tables, stand on chairs, appear to have no sense of danger, all of which would require one to one with an adult.

We could remove objects and implement safety devices in to the environment, however this will impact on the learning and development of the majority of the other children in the setting.

Although we do have a wide selection of resources for two-year olds, unfortunately we are unable to provide an area specifically for them. Therefore, we do not have cots and pushchairs for nap time, highchairs for snack time or any bottle preparation facilities as you would find in a baby room of a nursery.

- Funded places are offered in accordance with the Early Years Entitlements: Operational Guidance for local authorities and providers (DfE 2018) and any local conditions in place at the time,

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

- Where it is financially viable to do so, a place is kept vacant for an emergency admission.
- We do not admit a child for less than 2 sessions which must be taken over 2 days as this is not financially viable.
- The setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers and childminders are all welcome.
- The setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability, whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- The needs and individual circumstances of children joining the setting are monitored on 09.1c Childcare registration form, to ensure that no accidental or unintentional discrimination is taking place and that reasonable adjustments are made as required.
- Section 05 Equality procedures is shared and widely promoted to all.
- Places are provided in accordance with 09.1d Childcare terms and conditions issued to every parent when the child takes up their place. Failure to comply may result in the provision of a place being withdrawn.

Admissions

- Once a childcare place has been offered the relevant paperwork is completed by the setting manager or deputy before the child starts and filed on the child's personal file. Forms completed include:
 - 07.1a Privacy notice - explains what personal data we collect, why we collect it, how we use it, the control parent/carers have over their personal data and the procedures we have in place to protect it.
 - 09.1d Childcare terms and conditions - govern the basis by which we provide childcare.
 - 09.1c Childcare registration form - contains personal information about the child and family that must be completed in full prior to the child commencing.

Children with SEND

- The manager must seek to determine an accurate assessment of a child's needs at registration. If the child's needs cannot be met from within the setting's core budget, then an application for SEN inclusion funding must be made immediately.
- Children with identified SEND must be offered a place when one becomes available as with any other child. However, the start date for children with more complex SEND will be

STANWIX COMMUNITY PRE-SCHOOL REGISTRATION FORM

determined by the preparations made to ensure the child's safety, well-being and accessibility in the setting. If a child's needs determine that adjustments need to be made, the manager must outline a realistic timeframe for completion, detailing the nature of adjustments e.g., risk assessment, staff training, health care plan and all other adjustments required. The child's safety at all times is paramount.

- At the time of registration, the manager must check to see if a child's family is in receipt of Disability Living Allowance, if so, the manager must ask for evidence to enable them to claim the Disability Access Fund directly from the local authority. If the family is eligible but not in receipt of the allowance, the setting manager will support the family in their application. More information can be found at www.gov.uk/disability-living-allowance-children/how-to-claim.
- Preparation for admitting a child with SEND must be made in a reasonable amount of time and any delay in the child starting is scrutinised by the setting manager to avoid discrimination and negative impact on the child and family. During a preparation period the family and relevant agencies and the local authority must be regularly updated on the progress of the preparations.

Safeguarding/child protection

If information is provided by the parents that a child who is starting at the setting is currently, or has had involvement with social care, the designated person will contact the agency to seek further clarification.

Parents are advised on how to access the setting's policies and procedures.

09.16 Payment of Fees

- 1.1 Our fees are based on an hourly fee which is the full fee payable before applying any funded entitlements. We may review the fees at any time but will inform you of the revised amount at least one month before it takes effect. If you do not wish to pay the revised fee, you may end the Agreement by giving us one month's notice.
- 1.2 Fees are required to be paid in advance and are based on our hourly rate. Fees are calculated by multiplying the hourly fee by the number of sessions, which is then multiplied by the number of weeks in the month. You will receive an invoice every month.
- 1.3 All payments should be made by bank transfer where agreement in advance is made with the setting manager. All payment regardless of method shall be made by the parent/guardian monthly, in advance, on or around the 15th of each month (the due date). If the payment is made by cash, it is your responsibility to obtain a receipt from the setting manager as proof of payment. If you are paying by cheque, please make cheques payable to 'Stanwix Community Pre-School'.
- 1.4 If the payment of fees referred to in 1.3 is outstanding for more than 28 days then your child will only be able to attend for their free 15/30 hours until the outstanding amount is paid in full. Stanwix Community Pre-School reserves the right to relocate a child's place where fees have been continually outstanding.
- 1.5 Where difficulty of payment arises, please speak to our managers or committee chair. Flexible payment options may be available. All discussions will remain confidential.
- 1.6 If you require additional sessions or have been unable to collect your child by the official collection time, we will inform you of the extra amount payable and add these additional charges to your regular fees. In the event of late collection of your child, we reserve the right to charge a late collection fee of £20 for the first 15 minutes and £10 every five minutes thereafter. If you repeatedly collect your child late, for example 6 times in one term, we reserve the right to withdraw your child's place.
- 1.7 Fees continue to be payable if your child is off pre-school for up to ten days. Although in cases of prolonged absence, the managers and chair of Stanwix Community Pre-School will review your fee payments.
- 1.8 No refund will be given for periods when children do not attend a session without notice, illness or holidays. Please note that we are closed on bank holidays.
- 1.9 Where your child is in receipt of funded early years entitlement and/or extended entitlement (additional 15 hours) the full weekly fee is payable during periods where the early years funding does not apply. We may also ask for additional information recorded on your child's registration form that will assist HMRC in making a decision about eligibility for certain entitlements.
You will receive an invoice, if applicable on the 15th of each month.
